PROOF OF RELATIONSHIP FOR NEW HIRES

(For Family Coverage)

As a new employee of Shelby County Government, I will provide within 15 days from the date of employment all the required Proof of Relationship documents (i.e., marriage license, birth certificate(s) listing the parents, or court documents signed by a judge) for family health coverage on my dependents to the Employee Benefits Office for approval by the Plan Administrator.

I understand that if these documents are not received by Employee Benefits within 15 days from the date of employment that my dependent(s) whose document(s) was not provided will not be covered. I understand that I will have to wait until open enrollment to enroll dependent(s), unless I have a status change.

If these documents are not received within the required 15 days, I understand that my coverage will be reduced to single coverage, except when Proof of Relationship documents have been received on one or more dependents. (For example, if you are enrolling yourself, spouse, and child and you do not provide the marriage license to verify spouse, the spouse will not be covered. Only you and the child will be covered, and you will be paying for family coverage.)

IMPORTANT:

It is the employee's responsibility to notify the Employee Benefits Office of ineligible dependents and complete proper forms to prevent an incorrect premium deduction in which the employee will not be reimbursed.
